

```
\\10.5.6.11\dept\BMSO\DWOR
CMD.EXE was started with the above path as the current directory.
UNC paths are not supported. Defaulting to Windows directory.

C:\Windows>REM This file transfers the EOF_Report_Log.xlsx to the sftp server

C:\Windows>REM First create a logs folder within the SFTP folder to store logfiles

C:\Windows>IF NOT EXIST ".\logs" MD ".\logs"

C:\Windows>REM Run the WinSCP command line with the switch /script to use the BMSO.txt file

C:\Windows>REM Also use the /log switch to output the log to the logs folder. /loglevel

C:\Windows>REM determines the amount of detail stored in the log file

C:\Windows>WinSCP.com /script=TransferScript1.txt /log=".\logs\EOF_20210412.log" /loglevel=2
'WinSCP.com' is not recognized as an internal or external command,
operable program or batch file.

C:\Windows>REM Select log files equal to or older than 5 days and delete

C:\Windows>forfiles /p .\logs /m EOF_*.log /c "cmd /c Del @path " /d -5
ERROR: No files found with the specified search criteria.
